For Fight Made in Behalf of Real Kentucky Whisky.

The Louisville Free Press says: "In
all this agitation of the pure food
law it should be remembered that
H. Taylor, Jr. & Sons, of Frankfort,
the distillers of the famous 'Old Tay-
lor,' were the men who made the
name 'Kentucky Whisky' the subject
of universal interest that it is today.
Almost single handed, this old-fash-
ioned firm, which has never learned
eazy of the short cuts of the business,
has contended for the right of the
consumer to get what he calls for
when he wants real Kentucky whisky."

They have fought for this principle
in the courts, in the public press and
in the halls of Congress.

"Today E. H. Taylor, Jr. & Sons
have the right to be proud of the
work they have done. Their own
business has reaped a rich harvest
from the increased demand for Old
Taylor that has come with the pub-
lic demand for straight whisky, the
result of their long and costly cam-
paign for education. They make their
pride in the old way."

KING'S DAUGHTERS CIRCLE HOLD THANKSGIVING SERVICE.

The King's Daughters held a thank-
giving service, on Tuesday afternoon,
at the Christian Church.
Rev. Wm. Grove and Rev. C. R.
Hudson made appropriate addresses.
Delightful music was rendered by
a special chorus.
A thanksgiving offering of some-
thing over \$100 was made.
From the reports made, the work
of the hospital was shown to have
been very successful.
The following tribute to Miss Tu-
ley, the superintendent, was adopt-
ed:
"The Board of the King's Daughters
Hospital, ever duly appreciating the
efficient services of the superintend-
ent, Miss Tuley, would at this time
especially express that appreciation
and commend her upon the ability
and faithfulness with which she met
every demand during the very trying
ordeal through which the hospital has
so recently passed."

BURNED BY CANNON CRACKER.

A lad by the name of Wm. Eales was,
with several companions, firing crack-
ers on Arsenal Hill, Monday evening,
when one of the boys threw a cannon
cracker, under him and it was ex-
ploded before he could get out of the
way. The consequence was that
young Eales was badly burned on the
right leg.
Dr. J. G. South happened to be pass-
ing and took the lad home in his buy-
er and dressed his injuries. Provided
blood poison does not set in he will
soon be about again.

FARMER'S

THE GLORIOUS FOURTH.

There was a big crowd in town, on Friday, to participate in the celebration of the Fourth of July.

The parade was formed on schedule time and marched to the Old Capitol Grounds, where a platform had been erected in front of the main building.

The following program was carried out:

1—Prayer by Rev. J. O. A. Vaught

2—Song—"America"

3—Flag Drill by Children

4—Reading of the Declaration of Independence by Miss Corine Munday.

5—Song—"Star Spangled Banner."

6—Address, Hon. H. V. McChesney.

7—Song—"My Old Kentucky Home."

8—Prayer by Rev. J. R. Zeigler.

The address of Mr. McChesney was both eloquent and appropriate, and the singing by the children was very sweet and attractive.

The crowd then separated and proceeded to have a good time until about 3 o'clock in the afternoon, when the horse show was held on the splendid space afforded by the newly surfaced Wapping street, in front of the Custom House.

Mr. James L. Gay, of Woodford county, was selected as the judge of the rings.

Mr. George G. Speer and Mr. H. Z. Churchill had the management of the affair.

Everything except the double team was hotly contested.

The following were the premiums awarded:

Best stallion, mare or gelding—1st prize—Gray Ghost, owned by Carrack & Ward, Georgetown.

2d prize—McChesney Dare, owned by George Wash, Lawrenceburg.

3d prize—Beauty Dare, owned by Albert T. Kirtley, Frankfort.

Best walking mare or gelding—7 entries—Howard Orblison, Woodford county.

2d prize—A. T. Kirtley, Frankfort.

Best single turnout—6 entries—A. T. Kirtley, 2d prize—J. W. Rodman.

Best harness stallion, mare or gelding—10 entries—Southland Belle, owned by John Johnson, of Lawrenceburg.

2d prize—Carrack & Ward, Georgetown.

Best double team—1 entry—Johnson & Trimble, Frankfort.

Best model stallion, mare or gelding—7 entries—Geo. Wash, Lawrenceburg.

2d prize—A. T. Kirtley, Frankfort.

Best New York saddle gelding or mare—9 entries—American Beauty, owned by Miss Frances Foster, Georgetown.

2d prize—Red Rose, owned by Montjoy & Wash, Lawrenceburg.

Best Shetland Pony—10 entries—

A. G. Jeffers, Franklin county. 2d prize—South Trimble, Jr.

Best Fancy Turnout, gentleman accompanied by lady—A. T. Kirtley, Frankfort. 2d prize—Montjoy & Wash, Lawrenceburg.

Best High Steppers—4 entries—Carrack & Ward, Georgetown, both first and second prize.

There was great interest manifested in every ring, and it was hard for the police to keep the crowd back.

While the friends of the contestants were enthusiastic for their favorites, every one seemed satisfied with the awards and praised the management for its fairness.

Owing to previous engagement the Second Regiment Band, of this city, could not be secured, but a good band came from Winchester and kept things lively by their fine music.

After midnight every fellow seemed bent on seeing how pretty and noisy a display or fire works he could let loose, and the fun was kept up until a late hour.

We are glad to say that there was little or no disorder, and no casualties to mar the day.

The magnificent weather made everybody happy.

THE MAGIC NO. 3.

Number three is a wonderful mascot for Geo. H. Parris, of Cedar Grove, Me., according to a letter which reads: "After suffering much with liver and kidney trouble, and becoming greatly discouraged by the failure to find relief, I tried Electric Bitters, and as a result I am a well man today. The first bottle relieved my stomach, liver and kidney troubles, by all druggists. 50 cents."

TREMENDOUS BUSINESS.

The Frankfort & Versailles Traction Co. put on all the cars they had on Thursday, and they were well repaid, for every car, almost, was packed from early morning until way into the night.

INEXCUSABLE DAMAGE.

Some of the people of the West Side seem to think that the streets of that thriving section of the city are pastures for their stock, notwithstanding the city ordinance to the contrary.

On Tuesday night six cows and a horse broke into the garden of Col. Jno. N. Crutcher, and made a sad wreck of its contents.

Officers Harrod and Johnson impounded the offenders and their owners had to plunk up the cash to recover same.

[Written for the Roundabout.]

"MY DEAREST."

Perhaps, mild scenes of deepest grief, There sometimes may arise

A thought, which tho' it may be brief, Will drive away your sighs.

Perchance you may recall again Those happy days gone by—

The days so free from care and pain So dear to you and I.

And then, when rapture thrills your heart, And joy too deep to name

Some thought of me perhaps may start The never dying flame.

And when old time shall mark your brow, And dim your beaming eye,

Remember then our parting vow With me it can not die.

Perhaps, when stars their vigils keep, Some lonely summer night,

While lights droop their heads and weep

Beneath the kiss of night, That memory again will make

The joy of long ago— That once again, for love's sweet sake,

Regretful tears will flow.

It may be then that you will turn From coldness and deceit

And that your heart will sadly yearn Once more to fondly greet

The one that is so far away, Who always thinks of you,

Who longs for you, both night and day, Whose heart is ever true.

ALL A MISTAKE.

It has been rumored that the Prudential Life Assurance Co. has withdrawn its agency from this city.

This is all a mistake. It is true they have moved their office from the Capital Hotel, and now have it at the Hayden House, on Lewis street.

Mr. Thos. H. Duvall, of Lexington, has the general superintendency of the office in this city and Winchester, while Mr. J. S. Willis is the local agent.

PRETTY DESIGN.

The decorated float of Hammond & Co. was a well designed and executed advertisement of this hustling and successful lumber firm.

These gentlemen have forged to the front and keep there by honest dealing and square acting.

PEA RIDGE.

People on Pea Ridge are enjoying much pleasure in spite of all this hot weather.

Mr. Chester Laceyfield and best girl, Edith Edge, attended church at Choateville Sunday night.

Miss Della Tracey, of Pea Ridge, is visiting friends at Hatton.

Mr. Alford Harrison left Thursday last for Chicago, where he will remain two weeks on business.

Mr. Oliver Curry and best friend, Miss Florence Ridge, attended meeting Sunday night at Choateville.

Mr. Frank Edge and mother, Mrs. John Edge, and Miss Lillfred Edge all attended the Choateville Church Sunday night.

Miss Della Tracey is very much missed on Pea Ridge. We hope she will return soon. She is our greatest belle.

Mr. Delmer Crutcher has been ill for some time. We are glad to say he is some better.

Mr. Albert Warner spent Sunday with Mr. Will Stoops and wife Mrs. Orna Stoops.

Mr. Barney Laceyfield attended church Sunday night.

RED HEAD.

ONE OF THE BEST PRISONERS.

It is stated upon the authority of one of the guards at the local penitentiary, that Jim Howard, who was sent from this county for life upon the charge of having killed Senator Wm. Goebel, is making one of the best of prisoners, performing his allotted task faithfully, and treating everyone in a gentlemanly and respectful manner. He has joined the Christian Church under the ministrations of the Chaplain, Rev. Jos. Seawance, and endeavoring to lead a Christian life.

CONCERT FOR KING'S DAUGHTERS HOSPITAL.

FRANKFORT, JULY 6, 1907

SOUNDNESS OF JUDGMENT.

The Courier-Journal of last Sunday had the following editorial on the purchase of a new home for the Kentucky State Fair.

"In the selection of Douglas Park as the permanent State Fair grounds the State Board of Agriculture has acted with a soundness of judgment that will be appreciated by those most familiar with the difficulties and conditions that confronted it. A dozen sites were considered by the Board, but most of them were thought to be inconveniently located, while Douglas Park already has ample street car facilities for handling as many people as might desire to attend the fair. It is estimated that the selection of unimproved property would have made it necessary for the State Fair Commission to expend many thousands of dollars for temporary buildings for this year and next year. With a good trotting track, a handsome grand stand, plenty of stable room and adequate street car and railroad switching facilities at Douglas Park, and with the splendid agricultural and live stock resources of Kentucky, the State Fair Commission is ready at the very beginning to compete with the most successful fairs in the States of the Central West."

LIQUOR DEALERS WILL CLOSE THEIR SALOONS

While the Body of Francis Murphy Lies in State at Los Angeles.

LOS ANGELES, CAL., July 2.—The body of Francis Murphy, "apostle of temperance," will be buried at Rose-dale cemetery Wednesday, after services at the Simpson auditorium, where the body will lie in state for three hours.

Men prominent in the affairs of Southern California, who have been associated with the dead evangelist in his temperance work, will act as pall-bearers. Addresses will be made by the Rev. DeWitt Talmage, Dr. Robert J. Burdette and Dr. Robert McIntyre.

By order of the mayor, flags throughout the city will be displayed at half-mast. A remarkable tribute to the memory of Mr. Murphy is the movement, instituted by liquor men, to close all saloons in the city during the hours that the body will lie in state. A public memorial service will be held next Sunday.

The Hon. Robert S. Murphy, Lieutenant Governor of Pennsylvania, and John Murphy, of Philadelphia, two of his sons, arrived last night. A third son, William M. Murphy, of Virginia, is expected today.

The above dispatch shows the high esteem in which Mr. Murphy was held by every one in his home at Los Angeles, Cal.

It will be remembered that he was the head and front of the celebrated "Murphy Movement," which swept over the whole country back in the '70s.

The work in this city was conducted for weeks by Mr. Richard Innis, who now lives in Pittsburg, Penn.

Mr. Murphy died last Sunday. His work was a marvelous one, and quite a number of saloons in this city were practically put out of business, during the time the work was under way.

BADLY INJURED.

While out driving on the Lawrenceburg pike, on Tuesday afternoon, Mr. T. Hiter Crockett and Mr. R. M. Dalay, of Woodford county, were badly hurt by their horse running away, overturning and smashing the buggy

and throwing the two gentlemen out on the pike.

Mr. Crockett had his face and head badly cut and was otherwise so bruised and injured that, after his wounds were dressed by Drs. Minish, Coblin and Hume, he was taken to the King's Daughters Hospital. It may be some time before he is able to be about.

Mr. Dalay was bruised and stunned, but was able to go on to his home near Versailles, after his injuries had been attended to.

Mr. George G. Speer, of the Auditor's Office, found the gentlemen, as he was going to his old home at Lawrenceburg. They were both unconscious. Mr. Speer telephoned in for the ambulance, which was sent out and brought the gentlemen into the city.

While awaiting the arrival of the ambulance, Mr. Speer lifted the buggy off of the injured men and made them as comfortable as possible.

Mr. Crockett's host of friends are much concerned over his condition, and some fear is expressed of even more serious consequences than now appear.

OF INTEREST TO FRIENDS HERE.

We clip the following from the Youngstown (Ohio) Vindicator, of June 21. The young lady who was wedded is the sister of Mrs. H. H. Roberts, of this city, and has been a frequent visitor here in the past. She is a handsome and cultivated lady:

Willcoxson-Anderson.

An informally conducted and decidedly pretty wedding of Thursday evening directly interested Miss Elizabeth Morris Willcoxson and Roy Egbert Anderson, both formerly of Lexington, Ky. The services were read in their new home at 110 Madison Avenue by Dr. S. R. Frazier and in the presence of Mr. Willcoxson, Mr. and Mrs. George G. McKay, Miss Terhune, Mr. and Mrs. H. H. Porter and Mr. and Mrs. W. J. Zimmerman. Eight o'clock was the hour. The bride was very prettily attired in Persian lawn.

The bride is an accomplished musician and a young woman of real worth.

She and her mother came here very recently. Mr. Anderson, too, having been a comparatively new man in Youngstown. He is identified with the Wholesale Supply & Tailoring Company, and is a shrewd, successful business man.

Shortly after the ceremony the assembled guests dined with the young people and later centered attention on music and other acceptable channels of pleasure. Mr. and Mrs. Anderson are not adhering to the conventional methods in the matter of a wedding trip at this time but in the course of a few weeks will take a trip down the great lakes and to the Norfolk Exposition. Mrs. Willcoxson, a woman of rarely beautiful character, is to live with the young people.

LOUISVILLE LOSES TWO SPLENDID PASTORS.

Rev. Dr. B. A. Davis, pastor of the of Broadway Baptist Church, Louisville, for nearly ten years, resigned his position, on Sunday last, to accept the charge of the Lynchburg (Va.) Baptist Church.

Dr. Jones will be a great loss to the Baptist cause in Louisville and in Kentucky.

Rev. Dr. B. A. Davis, pastor of the Highland Baptist Church, Louisville, for twelve years, resigned, on Sunday, to accept the charge of the Georgetown Baptist Church.

CHEMICALS EXPLODE.

Willie Gay, colored porter for Dr. McKee Hardie, was handling some chemicals last week, when the vessel containing it exploded, badly burning his face and hands. Luckily his eyes escaped. He hopes to be able to attend to his duties again soon. He is a respectable and upright young man, and his white friends regret his injury.

COUNTY COURT DAY.

Monday was county court day, and brought the smallest crowd present on a court day in ten years.

There was only a small supply of stock on the market. A few good horses were offered, but the price was too stiff for buyers. The usual supply of broken down plugs were in evidence, and brought but little money. There were quite a number of mules offered and brought good prices. A few cows and calves sold low.

BIG POULTRY SHOW.

Will Be Feature of the Blue Grass Fair at Lexington.

At the Blue Grass Fair at Lexington last year was the best display of poultry probably ever seen at a fair in the South. It was one of the most interesting features of the exhibition. This year even greater attention will be devoted to poultry and the show, like last year's, will be under the management of the Blue Grass Poultry and Pet Stock Association. Hand-some quarters will be provided on the grounds leased by the Fair Association from the Gibson estate, so that the display will be more accessible to visitors. A liberal appropriation has been made, an excellent classification provided and one of the most competent judges in the country will be brought to Lexington to pass on the awards. Lovers of poultry and pigeons should not miss this feature of the Blue Grass Fair.

AIR SHIP FLIGHTS.

Roy Knabenshue Will Make Daily Ascents at the Blue Grass Fair.

Associated press dispatches last week told of the wonderful trip made by Robert Beachy in New York City. This skilled aeronaut took his big ship over all the tallest sky-scrapers of New York and finally landed at the Battery in a crowd of thousands upon top of thousands who had been attracted by the novel sight. Beachy is an employe of Roy Knabenshue, who has been engaged for week of August 12th to 17th. A ship exactly like that used by Beachy will be used at Lexington, but the Blue Grass Fair will have the advantage of having Mr. Knabenshue himself, who is conceded to be the most skilled American in designing and flying airships. He will make two or three ascents each day during the Fair.

LONG LIVE THE KING.

Is the popular cry throughout Europe and the countries; while in America the cry of the present day is "Long live Dr. King's New Discovery, King of Throat and Lung Remedies!" of which Mrs. Julia Ryder Paine, Truro, Mass., says: "It never fails to give immediate relief and to quickly cure a cough or cold." Mrs. Paine's opinion is also shared by a majority of the inhabitants of this country. New Discovery cures weak lungs and sore throats after all other remedies have failed; and for coughs and colds it's the proven remedy. Guaranteed by all druggists. 50 cents and \$1.00 bottles. Trial bottle free.

ACCIDENTALLY SHOTS HIMSELF.

Burt Kavanaugh, a lad living in South Frankfort, was pranking with a pistol, on Monday evening, when it exploded, the ball plowing its way through his left hand.

Dr. N. M. Garrett was called and dressed the wound. It is thought no serious consequences will follow.

If you haven't the time to exercise regularly, Doan's Regulets will prevent constipation. They induce a mild, easy, healthful action of the bowels, without griping. Ask your druggist for them. 25 cents.

OF INTEREST TO FRANKFORT FRIENDS.

On June 27th Mr. Carroll Q. Wright, Jr., son of Rev. C. Q. Wright, chaplain U. S. Navy, and grandson of Mr. John E. Miles, of this city, passed the examination and was sworn in as a Midshipman in the U. S. Navy. Mr. Wright, though only in his 17th year, passed a fine examination, scoring 3.32 in a possible score of 4. He is a young fellow of fine promise, manly and energetic. We congratulate him upon his success.

To Morphine From Doctor's Orders.

Habit Worse Than the Disease.

Dr. Miles' Nervine Cured Me.

When the nervous system has been shattered by the use of deadly drugs there is nothing to equal Dr. Miles' Nervine in restoring it to health and normal activity.

"I feel so grateful for what Dr. Miles' Restorative Nervine has done for me that I must tell it for that part of humanity that suffers as I have. During the three years I suffered from nervous prostration I found no relief except when I took Dr. Miles' Nervine. To get rid of suffering I took morphine myself as it was the only thing that would give ease, and now you who point with scorn at morphine using, how could you, when in such agony, knowing it about the only thing that would give relief, resist it? I knew it was a terrible habit and I knew of its deadly grasp, but I never fully realized its significance until I had used it a number of months. Oh, the misery of being addicted to such a habit. I resolved then and there to quit it and resolved I would never be a slave to any such demon. About this time I happened to notice Dr. Miles' Restorative Nervine advertised and ordered a bottle. After using five bottles I can truthfully say I am cured of using morphine. Now, however much persons may doubt it, God is my witness I am cured. This testimonial is unsolicited but I feel it my duty to give it for the benefit of the suffering."—MATTIE BROWN, Prescott, Ark.

JOHN MARSHALL'S MADEIRA.

Associate Justice Story relates many an anecdote about Chief Justice John Marshall. His favorite one was that while he and Judge Marshall were boarding together in Washington, during their term in the Supreme Court, they had come to the conclusion that Madeira wine was apt to be more of a habit than a necessity with them, so concluded not to take it except when it was raining, then it was excusable on the ground that it would either prevent or cure a cold. They stuck to their pledge pretty firmly, though secretly both chafed under it, for in those days a man could take wine without feeling that he was a sinful being, and, indeed, it was customary to have it at meals. Marshall was the first to evince his impatience with the pledge, as Washington was laboring under a long, dry spell just then.

"Oh, Story," he said one day, from the depths of his chair, "won't you please go to the window and see if it is raining?"

Story opened the window, screwed

A Square Deal

Is assured you when you buy Dr. Pierce's family medicine—for all the ingredients entering into them are printed on the bottle-wrappers and their formulas are trusted under oath as being complete and correct. You know just what you are paying for and that the ingredients are gathered from Nature's laboratory, being selected from the most valuable native medicinal roots found growing in our American forests and while potent to cure are perfectly harmless to the most delicate woman or child. Not a drop of alcohol enters into their composition. A much better remedy than either cod-liver oil or any of the blood-purifying principles used in them, it is a pure, refined, efficient. This agent possesses intrinsic medicinal properties of its own, being a most valuable antiseptic and antiferment, nutritive and soothing demulcent.

Glycerine plays an important part in Dr. Pierce's Golden Medical Discovery in the cure of indigestion, dyspepsia and weak stomach, attended by sour risings, heart-burn, foul breath, coated tongue, poor appetite, gnawing feeling in stomach, biliousness, and kindred derangements of the stomach, liver and bowels.

Besides curing all the above distressing ailments, the "Golden Medical Discovery" is a specific for all diseases of the mucous membranes, as catarrh, whether of the nasal passages or of the stomach, bowels or pelvic organs. Even in its ulcerative stages it will yield to this sovereign remedy if its use be persevered in. In Chronic Catarrh of the Nasal passages, it is well, while taking the "Golden Medical Discovery" for the necessary constitutional treatment, to cleanse the passages freely two or three times a day with Dr. Sage's Catarrh Remedy. This thorough course of treatment generally cures the worst cases.

In coughs and hoarseness caused by bronchial, throat and lung affections, except consumption in its advanced stages, the "Golden Medical Discovery" is a most efficient remedy, especially in those obstinate, hang-on coughs caused by irritation and congestion of the bronchial mucous membranes. The "Discovery" is not a good for acute coughs arising from sudden colds, nor must it be expected to cure coughs that in its advanced stages—no medicine will do that—but for all the obstinate, chronic coughs, which, if neglected, or badly treated, lead up to consumption, it is the best medicine that can be taken.

Buy Furniture Economically.

Extravagance consists in buying the wrong thing at the wrong price.

Economy consists in buying the right thing at the right price.

If you are truly economical you will not buy furniture merely because it is cheap. It should be bought—first for its appropriateness—and second, for its durability.

It will give us pleasure to show you our present offerings in fine and medium priced furniture—the sort that is both appropriate and durable. And we shall also be glad to tell you of our liberal partial payment plan—a little at a time, as your income permits.

R. ROGERS & SONS.

his head in all directions, then sadly gave the bulletin: "No rain in sight—not a cloud."

"Umph!" said the Chief Justice, "that's in Washington. Well, our jurisdiction extends over a vast territory. It surely must be raining somewhere in it. Say, Story, let's have some Madeira."—Our Country for July.

THE CHARMING WOMAN

is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires; neatness, clear eyes, clean, smooth skin and that sprightliness of step and action that accompany good health. NARROW ESCAPE OF WORKMEN IN CINCINNATI.

Some fifty or more workmen had a narrow escape from instant death, in Cincinnati, Ohio, on Tuesday. They were excavating the foundation for a big bank building, on the corner of Ninth and Main streets, when the store building, four stories high, next door, collapsed, covering the men with the debris. Some ten were hurt, but none very seriously, strange to say.

POWER OF THE CHIEF JUSTICE.

The Chief Justice of the United States is encased in a legal armor which makes him almost invulnerable to political attacks, and when he takes his seat he is reasonably sure that it will be for life, as nothing short of misdemeanor or treason can make him lose it. Hence this office has long been called "The heaven of legal ambition," and has given rise to the phrase, "I would rather be Chief Justice of the United States than Supreme Court than President of the United States."—Our Country for July.

PERFORMING BEARS.

One of the Big Free Acts of the Blue Grass Fair at Lexington.

The Blue Grass fair to be held at Lexington the week of August 12th to 17th will make its free amusements features one of its more prominent departments. Sixteen big free acts will be given in front of the grand stand each afternoon and each night, but of them all perhaps the most interesting will be the famous Spellman's Performing Bears. This is pronounced the biggest and best wild animal attraction today in America. The bears, seven in number, are exhibited by Mille La Verie, one of the most famous female animal trainers in the country. The bears are as much at home on the stage as they were in the forest whence they came. They are of the brown and cinnamon varieties, some of them natives of the western States. In the half hour their acts lasts they roll hoops, balance each other on a board, climb ladders, form pyramids, and finally indulge in a drinking bout. Some of the bears become intoxicated and stagger about the stage, but at the end, to compensate them for their work, the trainer presents each with a well filled bottle of milk. The performing bears will be absolutely a free attraction of the Fair show on a platform in front of the grand stand.

..DEATHS..

TODD—At his home, on the West Side, on Sunday, at 2 o'clock, Mr. Frank E. Todd (son of the late Mr. Labbey and Mrs. Mary L. Todd), aged nearly 38 years, of consumption.

Mr. Todd was born August 8, 1869, and was a hearty and genial, though shy and retiring, young man. His health had been poor for several years, and he had gone to the far west in hopes of restoration, but was forced to return home last fall, and had steadily failed until the end.

He was a member of the First Baptist Church, of this city.

He leaves two brothers and five sisters to mourn his death. The funeral services were conducted from the family residence, on Tuesday morning, by Rev. Dr. M. B. Adams, his pastor, and the remains were taken to Lexington for interment by the side of his mother and father.

GONE TO PANAMA.

Today the steamer Panama carries from the port of New York one of Kentucky's brightest jewels—Miss Emma Hunt—to a government position in the far away Panama. She has won the respect and esteem of many citizens of Frankfort. She has conquered the world to gain its transient smiles. Troubles crossed her path in early life, but she has overcome them all, and the brightest star that will deck her crown will be humble love. Her parental devotion has been beautiful and every wave beneath that steamer that carries her to far away Panama will be freighted with a mother's prayer and blessing. May she flourish among the Palms of Panama as a bright exotic from Kentucky. A FRIEND.

A GAME AS WAS A GAME.

The game of baseball between the Frankfort and Shelbyville teams, played on the 4th of July, was a heartbreaker. It lasted for twelve long innings, and when it had to be called at dusk, to allow the visitors to leave for home, the score stood 0 to 0. It was a cracker jack.

Let me mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or The Kidneys. Address me, Dr. Shoop, Racine, Wis. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—means Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling br inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, head breath or complexion, use Dr. Shoop's Restorative. Write for my free Book on Dr. Shoop's Restorative. CONSUMPTION'S WARNING.

Inside facts soon become evident in outside symptoms.—Dr. G. C. CARSEN.

QThe aid of scientific inventions is not needed to determine whether your lungs are affected. The first symptoms can be readily noted by anyone of average intelligence.
QThere is no disease known that gives so many plain warnings of its approach as consumption, and no serious disease that can be so quickly reached and checked, if the medicine used is Dr. Boschee's German Syrup, which is made to cure consumption.
QIt is in the early stages that German Syrup should be taken, when warnings are given in the cough that won't quit, the congestion of the bronchial tubes and the gradual weakening of the lungs, accompanied by frequent expectoration.
QBut no matter how deep-seated your cough, even if dread consumption has already attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble.

IN A NEW HOME.

Kentucky State Fair Permanently Located at Douglas Park in Louisville.

With genuine pleasure we announce the purchase of a new home for the Kentucky State Fair. All the grounds and buildings of the Douglas Park Jockey Club in Louisville have just been bought by the State Board of Agriculture as a permanent location, and the future success of the Kentucky State Fair is assured.

There are 129 acres, and the improvements, worth more than \$200,000, are both new and modern. The grand stand is of steel and concrete, and the stables, for exhibition purposes, as well as for stall use, are excellently located. The stall room will meet all demands. The mile track is acknowledged to be the fastest for trotting exhibitions in the world. Large trees and waving grass are to be found throughout all the grounds.

The transformation facilities, both steam and electric, are unsurpassed. On the main line of the Louisville & Nashville Railroad, with a switch running the full length of one side, exhibitors, whether of live stock, agricultural implements or the products of the farm, will find the Kentucky State Fair grounds most accessible. Such connections mean every advantage for the exhibitor. On the double track of the Jacob Park line of the Louisville Railway, with a loop on which to store 100 cars at a time, fair visitors are deposited right at the entrance, within twenty-five minutes of their leaving the heart of the city. On the boulevard that intersects the Grand Boulevard—and extension of Third Avenue—the grounds are most easily reached by carriages and automobiles.

Those who have given much thought to the matter of a permanent site for the Kentucky State Fair, are congratulating the Board of Agriculture upon its good fortune in being able to buy grounds with such modern grand stand erected; with grass plants fully matured and full grown; with railroad and street car facilities.

In the new home, the State Fair Board can offer advantages to the exhibitors in every department, the equal of those of other State Fairs many years older.

Every exhibitor at former Kentucky Fairs and all who have not entered for competition there before, are invited by the management to go to the 1907 Fair. Contestants' treatment is guaranteed all, with a promise, that the visit will be pleasant and very profitable.

The Kentucky State Fair is destined to become the greatest annual exhibition in the South. Within a few miles of the center of population of the United States, the attendance should reach annually into the hundreds of thousands, nine great railroads centering in Louisville. Surrounded by the best live stock sections of the country, close to the best in agriculture and horticulture, in a State and near States whose women make needle work and table luxuries the equal of any communities, the exhibitions will be worth a long journey.

Secretary R. E. Hughes invites correspondence on any subject touching State Fair matters. Antagonies are ready.

CORKERS AND TWISTERS.

By Mrs. O'Houlihan.

The physician who anticipates an unfavorable change in his sick patient and prescribes to meet it is wise—the contractor who makes strong scaffolding for his workmen to insure their safety is a sensible man—and the city council that looks out for the future in the construction and opening up of streets understands well its duty to the public and to the expansion of business. If a former council had been wise enough to look to the present needs of the city it would have extended Wapping street to the head of Ann street and thus relieved the present travel on Main street. This should and could have been done when the right of way for a street could have been had for a very small sum.

So Ewing street, on the South Side, should have been extended in its full width to Second before the residents on the South and central ends became bottled up by an obnoxious property owner on the North end of the street.

So a street should have been opened from the angle on Holmes street near the Sower residence, to the end of High street. This would relieve the pressure on Holmes street from Sower's to the prison.

Holmes street will eventually have to be widened from Sower's to the old brickyard, as two vehicles can not pass each other when a street car is going by. Why not widen it now? A citizen who owns most of the property fronting the line has offered to give the city fifteen feet of ground along the entire front on condition of the construction, by the city, of a granite pavement and gutter. Why wait until the city is compelled to widen the street by the increasing traffic and the improvement of the property will increase the cost of widening tenfold? Does not the city council see the wisdom of doing today what must be done hereafter at greater cost?

It is said an animated dispute occurred on the corner of St. Clair and Main streets, a few days ago, between Col. Louis Weitzel and Col. James Duval as to which won the game of marbles they played on the site of the Old Mansion House a few years prior to its erection.

It is also rumored that Col. W. B. Showalter participated in a target match with some of the best Indian shots on the spot where the old Weisler House (and later the Capital Hotel) were erected. The winner was to break an egg placed in a knot hole in a beach tree that stood where Gayle's drug store now stands. Several Indians fired, and their bullets struck within a few inches of the egg but did not break it. Showalter then fired, and whilst his bullet missed the egg six or eight inches, it dislodged a splinter that struck the egg and caused it to roll to the ground and break. Showalter claimed to be the winner, as the match was to break the egg. This claim he Indians disputed, and it came near resulting in a genuine Indian war.

Daniel Boone, however, pacified the Indians by taking the match money and buying enough corn and beans to

make a big kettle of "succotash," which was partaken of by all amid general enjoyment and hilarity.

A HARD STRUGGLE.

Many a Frankfort Citizen Finds The Struggle Hard.

With a back constantly aching. With distressing urinary disorders. Daily existence is but a struggle. No need to keep it up. Doan's Kidney Pills will cure you. Frankfort people endorse this claim:

Mrs. Kate Newkirk, of 113 Logan street, Frankfort, Ky., says: "It was some time very hard for me to perform my daily work on account of weakness across my loins and the aching I endured when stooping, or reaching forward for any object. The irregular action of the kidneys and the sensation of scalding which accompanied the secretions caused other symptoms which were very annoying and distressing. I doctored a great deal and besides used various remedies said to be good for kidney trouble, but I received little, if any, relief. Reading advertisements of Doan's Kidney Pills which appeared in our newspapers impressed me with their value, so concluding to try them I procured a box at J. W. Gayle's drug store. Their effects certainly surprised me and I continued their use, taking the contents of the second box. They did for me far beyond my expectations, and I can certainly recommend them."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

OLD TAYLOR DISTILLERY CLOSES DOWN FOR SEASON.

The Old Taylor Distillery, No. 53, the property of Messrs. E. H. Taylor, Jr. & Sons, ceased operations on Saturday last, after one of the best runs ever made by this concern. Of course the Bottling House will run straight along.

Indigestion

Stomach trouble is but a symptom of, and not a disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else. It was this fact that first corrected Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success for Dr. Shoop's Restorative. With out that original and highly vital principle, no such lasting and permanent relief could be had. For stomach distress, bloating, biliousness, bad breath and all other complaints, try Dr. Shoop's Restorative—20 drops of Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.
